

This report contains information about how individual students performed on the NYS English as a Second Language Achievement Test (NYSESLAT). The information for an individual student is on the line to the right of the student's name. The report shows the two Scale Scores earned by each student (Listening & Speaking and Reading & Writing) as well as the New York State Performance Level (21 = Level 1, 22 = Level 2, 23 = Level 3 or 24 = Level 4) that is associated with the earned Scale Score. Please note: If a student did not respond to sufficient test items to determine a valid scale score, the student was assigned a scale score of 999 and a performance level of 99.

To determine a student's level of English proficiency, match the student's scores for Listening & Speaking and Reading & Writing to the scale score ranges for Listening & Speaking and Reading & Writing on this chart.

To move from one level of proficiency to the next, the student must score within the range of the higher proficiency level in both combinations of modalities (listening & Speaking and Reading & Writing). To move from the limited English proficient level to the English proficient level, the student must score at the English proficient level in both combinations of modalities (Listening & Speaking and Reading & Writing).

Students who have moved in only one combination of modalities should remain at the lower proficiency level.
